## COMFORT FOR THE SORROWFUL

The best remedy for those who are lonely, or unhappy, is to go somewhere where there is peace and quiet, to stand with the heavens, and to look to Earth's starry peace, only then does one feel that things are as it should be and that one's life is earnest. I see many people happy, amidst the beauties of nature. As long as this world exists, it certainly always will be a place where there will always be peace. Then there will always be a place for every sorrow, whatever it may be.

Youth:

Youth, when thought is speech and speech is truth.

# The Class Of 1972 Dedicate Our Yearbook To Mr. Henry Trimble

Mr. Trimble: an expression of one man's dedication to youth...

Those who didn't know him had to cry, but those who knew him will forever smile when they remember H.T. and A.H.S....

Mr. Trimble was appreciated for what he was: stern but friendly, strong but flexible, and a great person to know....

A great man who opened our hearts and minds at A.H.S....

His bark was worse than his bite!...

He was just trying to teach us how to live and be respected which was the hardest job of all...

Mr. Trimble tried his best to help the kids of A.H.S. find themselves...

Everyone respected him as a man, not because he was a nice guy...

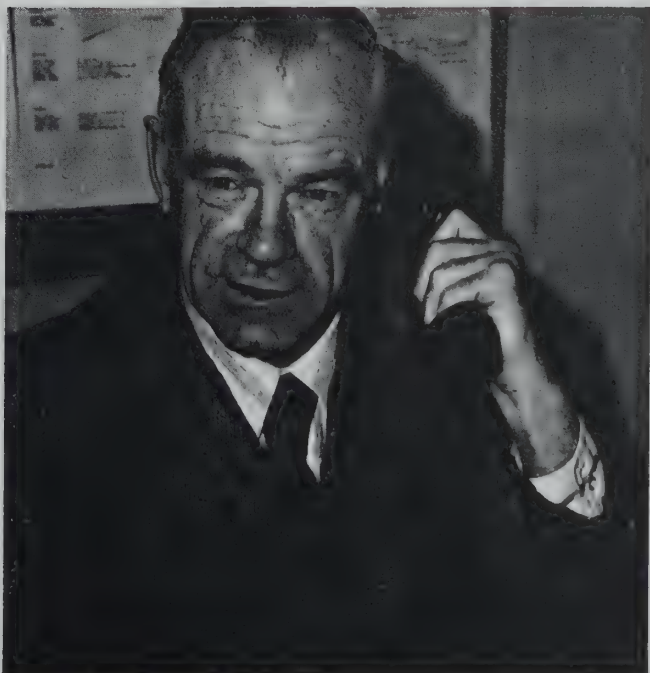

A kind, unique, devoted man working for a cause, and the cause was us...

He was gruff, but never rough...

When we talked to him he listened, and that's what counts...

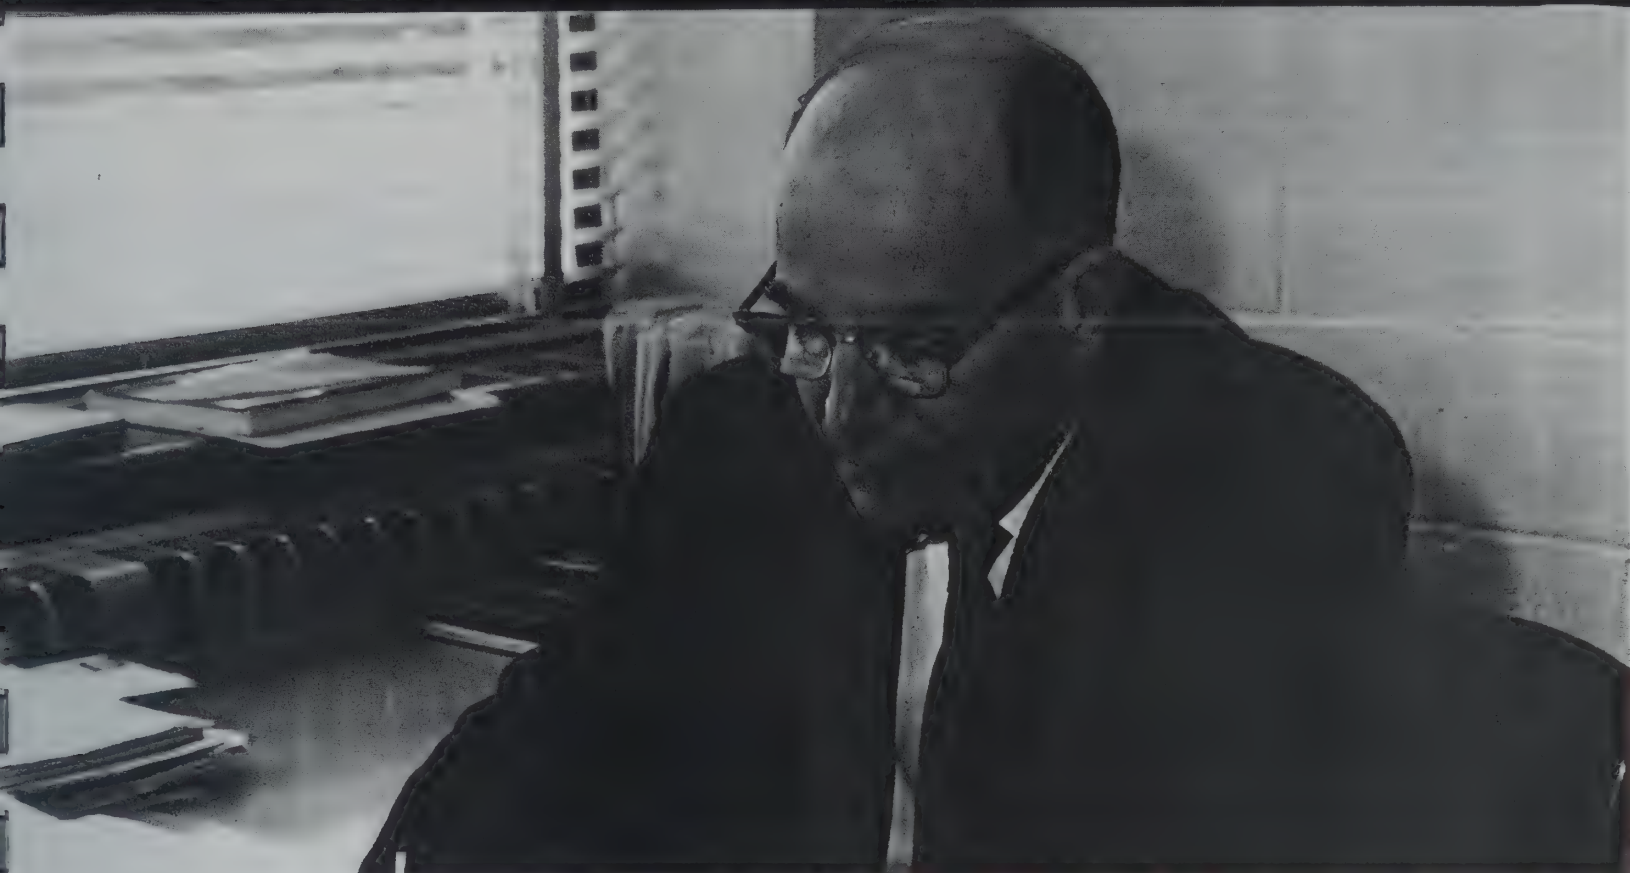

He had a heart of gold...

He loved... He listened...  
He cared.

## TO THE CLASS OF 1972

Every facet of man's endeavor to communicate with himself and the world is embodied in the theme - Expression - of your yearbook. Each individual expresses degrees of happiness or sadness, of triumph or defeat, of doubt, frustration or conviction by words, art, music, movement and manifestations. At your command is a multiplicity of means for conveying your innermost thoughts and feelings.

With the variety of means available for Expression no man should hide in a shell of silence. But, the orator, writer, commentator, artist or musician wants and needs an audience, therefore what is being expressed must have some value to the recipient. Beauty is in the eye of the beholder, the charms of music are lost to the deaf, words have no meaning to the illiterate. The babblings or actions of a clown may momentarily delight or amuse but they leave no lasting impression.

Members of the Class of 1972 choose wisely your means of Expression and diligently strive to reach a degree of perfection. Great success you may never achieve but the satisfaction of trying will always remain with you.

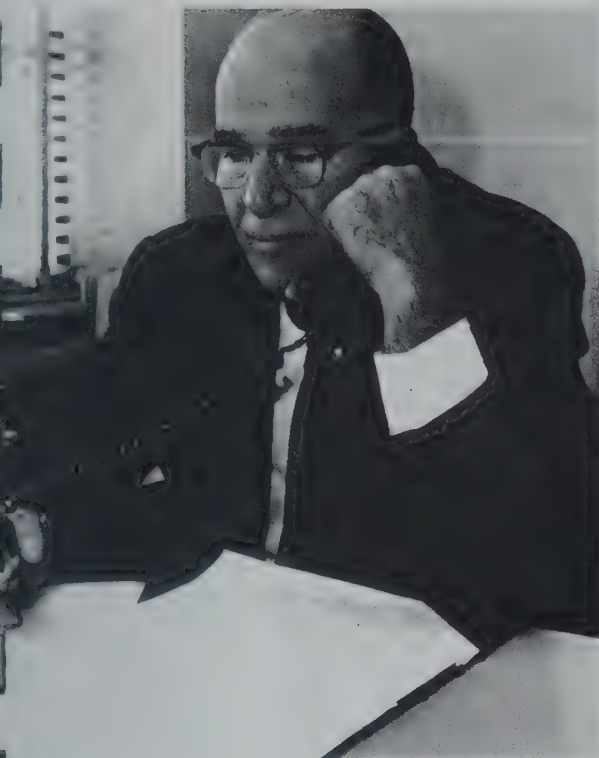

Sincerely,

John A. Murray

# In Memoriam

John Catman

1954-1970

I believe in life eternal, Dear Lord,

I have chosen to believe this is true.

For I have seen the sun set just to rise again,

And I have seen flowers die to blossom anew

And I have seen a love that will never end,

For that love was founded in you.

D. Damon

# Class

The year -- 1982. . . You are there! We take you now to the Green Room of the White House where President "MARK R. AMES" is greeting his guests. President Ames has generously offered the executive mansion to the Class of '72 for their tenth reunion as their treasury "bounced" after the grand reunion festivities.

Upon entering we see "JUDY COWLY" and "JANET MANNING" attending the guest book, while "MARY GRAHAM", the Welcome Wagon Hostess, is greeting the alumni. Over in another corner, "MARK BARROWS" and "STEVE WECKBACHER" are sampling the punch AND doctoring it up.

Now entering is "MARK DONLAN" handcuffed to "JOANNE RAY", followed by "JOAN CLAUDE CROSBY" fresh off the ski slopes.

Protesting outside on the "grass" are "GARY ANDERSON", "BOB BEATON", "GEOFF HECKLER" and "CHUCKY MOUZER". Also "CHERYL IRVING" is burning the flag. Oh! Oh! Here comes Patrolman "KEENAN" to arrest her.

Bombing up the driveway with the familiar "Beaver" license plate is "MICHELLE CIRELLI" with "SHEILA HICKEY" and "DIANNE MORTIMER" just coming from "The Drag."

Back in the Green Room, we view "LYNDA LUNDSTROM", "DARLENE SHEPARD", "JANET PHELPS", and "PAULA DEROCIER", missionary nurses just back from Zulu country.

Amongst our guests we have many celebrities. For instance, there's "ROBERT DUGAS", the star of "The Gadabout Dugie Show"; and Doctors "JOSEPH CRANDELL" and "ELAINE MURRAY", co-authors of the best seller EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT ME BUT WERE AFRAID TO ASK; Red Sox stars "DAVE MCDONOUGH" and "JEFF AIKENS"; the first and second string goalies of the New York Rangers, "TOM SHMUCK" and "BILL DESJARDIN"; "DAN ROAN" and "MIKE PANUS", the new physical fitness experts on "The Jack LaLane Show" are also with us tonight. And here, after a winning season of playing football for the New England Patriots are "KEITH ROSENOW", "PETER CASEY", "WALT EASTTEY", and "PETER STONE."

Running into the Green Room is Secretary of HEW, "SUE ELLEN MELANSON", being pursued by Secretary of War, "RICHARD MCGOVERN", who is in turn being restrained by Secretary of Defense, "MICHAEL GREGORY".

Our entertainment for the evening is "SHARON HURTLE"'s and "MARY ADAM"'s singing, accompanied by "JEFF ANDERSON", "TOM NERY", and "MICHAEL GRANT" on guitars.

Outside, arriving on their ten speed bikes, are "NORA PRANG", "GARY PINKHAM", "MARK WILLIAMS" and "JUDY PINKHAM" doing

their bit to fight pollution. They are being met by women's lib. protesters "DEBBIE DAMON", "NANCY COLEMAN", and "KATHY CROSBY". "SHARON LAVANGIE", "ROBYN LAVIGNE", "BARBARA NOLAN", "JEAN WICKLUND" and "BARBARA WARE" just flew in from their world travels while "MARY DEE CULLEN" is returning from Hawaii.

Secretary of Transportation, "TOM BAVIN", is pulling up in his limousine with his private secretaries, "MARY SHEEHAN", "CLAIRE OLORSKY", and "DEBBIE LAAPERI."

Back inside, we hear click, click, click. It must be "ELLEN MCCORMICK" and "JIMMY MESERVE" immortalizing the scene on film.

Bartenders "JOHN MAHAR" and "TOM GREENLEAF" are serving "GREG PROFEIT", "TOM LEWIS" and "MARK NELSON" who have had enough as it is.

And there are "GLEN" and "JOHN" who have just put out a new flavor of Smith Brothers cough drops.

On the far side of the room we see "DONNA CONNER", "DONNA CORRIVEAU" and "CAROL MACKENZIE" who have recently become patients at the Mildred Alfred Nursing Home due to overexposure. They report that "STEVEN KELLY" is still chasing the old ladies there.

Standing beside them, are "STEVEN CROSBY", "WAYNE STOCKER", and "COLIN MOORE" who have just placed first, second, and third in the "Indianapolis 500". They are talking to their auto mechanics "DAVID HILL", "DON COLEMAN", and "JIM WORKMAN."

There do "PETER BUCHAWSKI", "DAVID MELVILLE", and "GARY HASKELL" out the back door. I guess they must have suffered an acute attack of boredom.

Back outside, "BRIAN CONNERS" and "MARK JACOBY" had come up the drive a few minutes ago in their 1982 VW, only to discover they had forgotten to pick up "STEVEN HOWE."

Running by the front of the White House is "STEVEN SPRATT" leading in the Washington Marathon. And racing up the driveway in their new sport cars are "BRUCE HUGHES" and "GARY PAREZZO" followed by "VICKIE TULIP" who is recruiting hikers, "APRIL DOUGHTY", "DONNA TURNER", "KATY TEAL", and "PAMELA COE", for the "Walk for Hunger" she is organizing.

In a quiet corner of the Green Room, "ALAN GREEN" and "RICHARD THURBER" are having a rousing game of chess. And there's "PAULA ROBERTSON", the famous equestrian, with her date Jocky Willie Shoemaker. Helping themselves to some punch are "MARY BETH O'CONNELL" and "ANN HANLON". I hear they have recently displayed some of their works in the Washington Art Gallery. "TWEEDLE DUM" and "TWEEDLE DEE", the Stephen twins, are talking to the "Couple of the

Look over there! It's "BOB BRANTING" and "STEVE BURNS" mil-

to "LARRY CHEREVIE". For the couple with the most kids, "CYNTHIA

that's all for the night. Good night, Daria! Good night, Cher!
